

We invite you to publish your article in the scientific periodical journal « **Modern engineering and innovative technologies**», Germany (DOI, IndexCopernicus, GoogleScholar).

Journal web-site: <https://www.moderntechno.de>

Cost:

| The volume of the article,<br>pages | \$/1p. |
|-------------------------------------|--------|
| On-line version                     |        |
| 6                                   | 3      |
| 7-9                                 | 2,7    |
| 10-19                               | 2,4    |
| 20+                                 | 2,2    |

You can also order a print version of the journal (the cost of a printed copy will be specified in the answer)

Sections:

|                                                                  |                                                      |
|------------------------------------------------------------------|------------------------------------------------------|
| Mechanical engineering and machinery                             | Transportation engineering, Motor vehicles. Cycles,  |
| Electrical engineering.                                          | Highway engineering. Roads and pavements, Railroad   |
| Engineering instruments, meters, etc. Industrial instrumentation | engineering and operation                            |
| Telecommunication                                                | Building construction                                |
| Electrical engineering. Electronics. Nuclear engineering         | Industrial safety. Industrial accident prevention    |
| Mining engineering. Metallurgy                                   | Innovative Economics and Management                  |
| Animal products., Cereals and grain. Milling industry            | Innovation in Pedagogy, Psychology and Sociology     |
| Textile industries                                               | Innovative approaches in jurisprudence               |
| Electronics                                                      | Innovative philosophical and historical views        |
| Industrial engineering. Management engineering                   | Innovations in Philology and Linguistics             |
| Mechanical drawing. Engineering graphics                         | Innovations in medicine, pharmaceuticals, chemistry, |
|                                                                  | veterinary medicine                                  |
|                                                                  | Innovations in agriculture, biology                  |

The volume of text: 6 pages and more  
Languages: Ukrainian, English, Deutsch

Application Form, Article Design Templates, other information can be found on our website [www.moderntechno.de](http://www.moderntechno.de)

We are waiting for your documents by e-mail (subject indicate **application journal ge**): [editor@moderntechno.de](mailto:editor@moderntechno.de) or [orgcom@sworld.com.ua](mailto:orgcom@sworld.com.ua)
